## THE ROAD NOT TAKEN

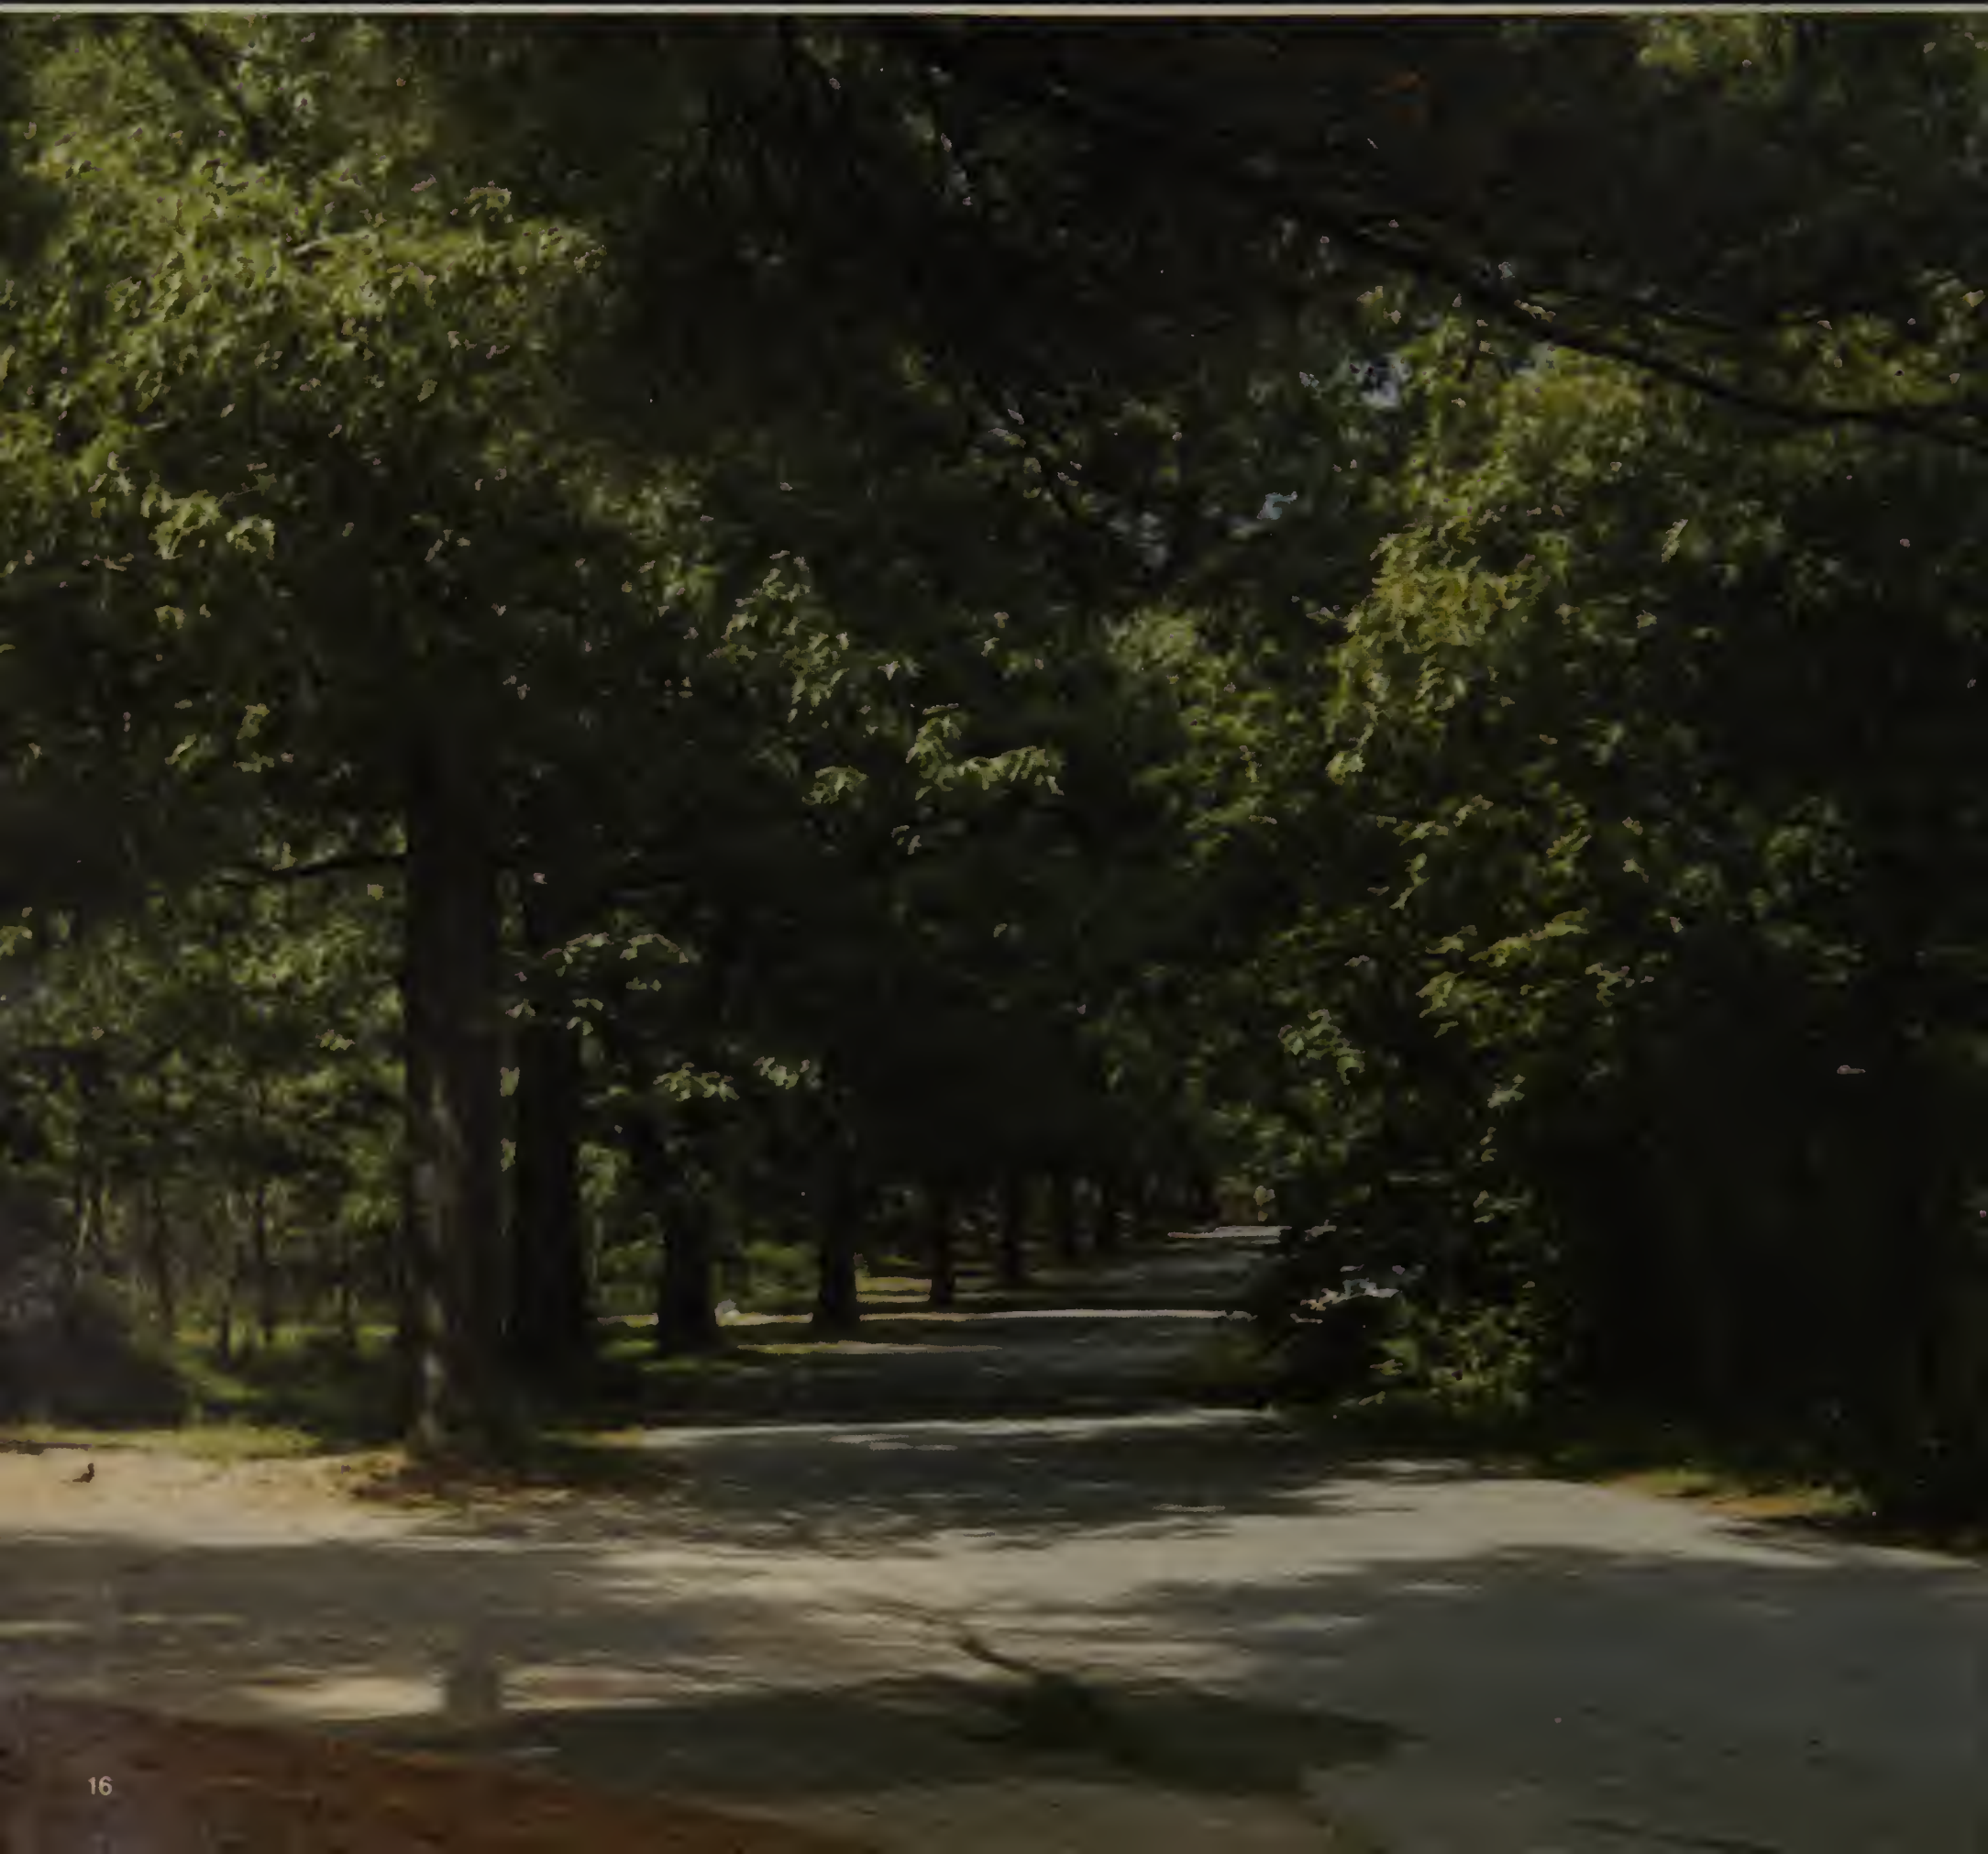

Two roads diverged in a yellow wood,  
And sorry I could not travel both  
And be one traveler, long I stood  
And looked down one as far as I could  
To where it bent in the undergrowth;

Then took the other, as just as fair,  
And having perhaps the better claim,  
Because it was grassy and wanted wear;  
Though as for that the passing there  
Had worn them really about the same,

And both that morning equally lay  
In leaves no step had trodden black.  
Oh, I kept the first for another day!  
Yet knowing how way leads on to way,  
I doubted if I should ever come back.

I shall be telling this with a sigh  
Somewhere ages and ages hence:  
Two roads diverged in a wood, and I —  
I took the one less traveled by,  
And that has made all the difference

— Robert Frost

# DEDICATION

Since the day we first entered Woburn High School, the Class of 1981 has been extremely fortunate to have been associated with a certain person; both in the classroom and in our extra-curricular activities. This individual has served as an inspiration to many of us. And, by way of example, has shown us the true meaning of the word "friend." It is because of that friendship and leadership that many of us are here today. For that, and for all the help we have received for the past three years, we proudly dedicate the 1981 INNITOU to

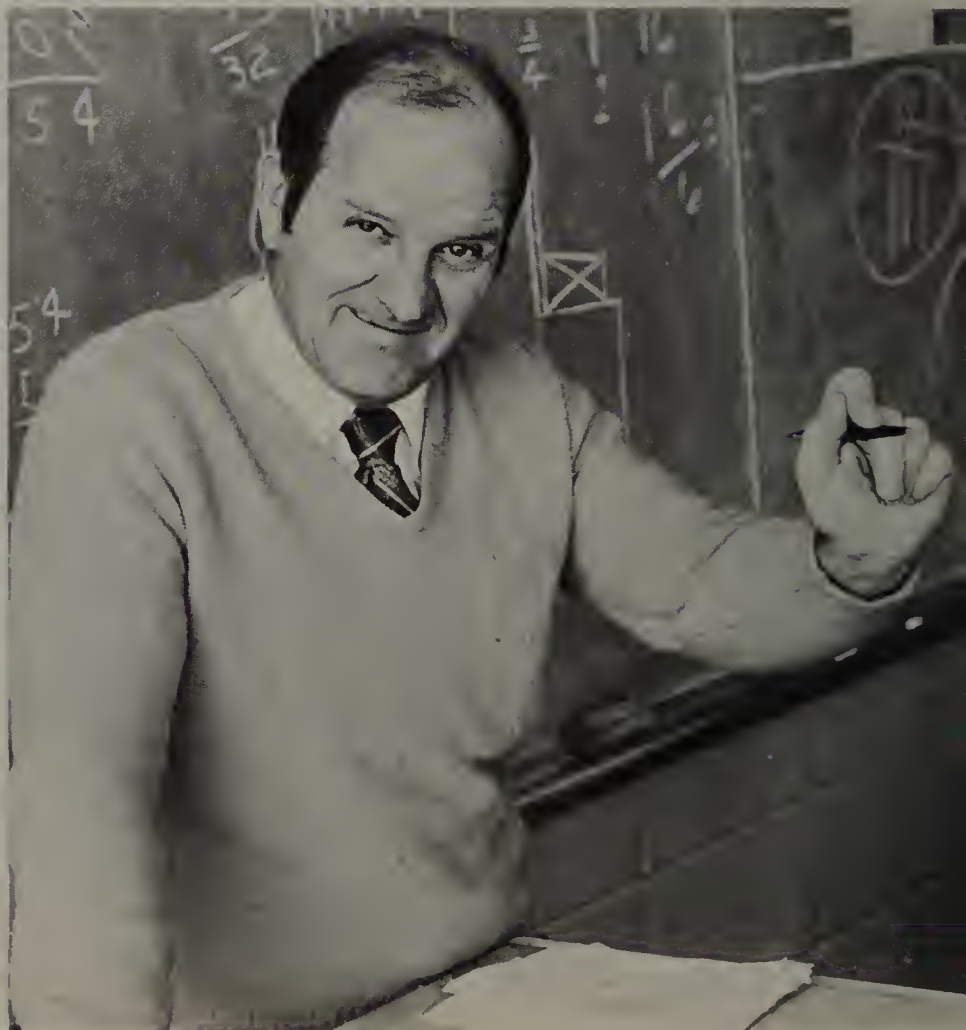

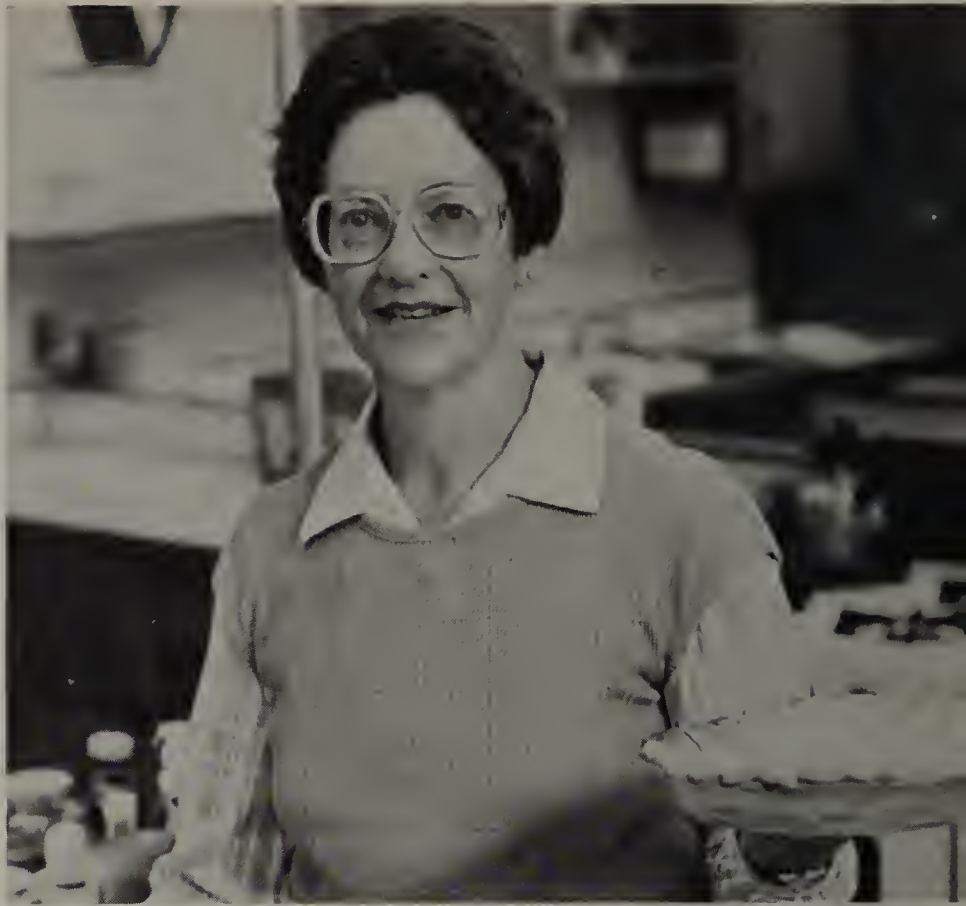

## Julianne Kallas

FACULTY

To: The Class of 1981:

The national and international events taking place during your senior year at Woburn High School are certainly historically significant. You have witnessed a United States presidential election resulting from one of the largest popular vote majorities in U.S. history. You are part of an economic see-saw unique to American economic progress and are seeing daily enormous price variations in consumer products and services. The television medium makes international events seem almost a part of regular daily routines. Your lives are caught up in all of these events.

For me, the taking, holding, and final release of fifty-two American hostages has rekindled the meaning of freedom, which perhaps we too easily take for granted as American citizens. Psychologists tell us that being deprived of a privilege may help one to respect it all the more when returned.

Let us reflect on that great privilege of personal freedom, within the law, that we Americans enjoy; and let us gain from the ordeal of the American hostages, now returned to safety, a better perspective and appreciation of our American freedom.

Let us not be timid in expressing our patriotism, to ideals and privileges we as United States citizens uniquely, among a world of peoples, enjoy, and for which half the world is currently attempting to achieve to even a small degree.

Congratulations and best of luck to each graduate.

# HOUSEMASTERS — SECRETARIES

To the Members of the Class of 1981:

It is my sincere message to the Class of 1981 that regardless of academic accomplishments during your learning experience at Woburn High School, that you leave with definite priorities for your future years.

I hope you will endeavor to always respect yourself, parents or guardian, your citizenship, and the rights of others. Also, that you will be faithful to every trust, loyal to every duty, industrious, courteous, magnanimous in judgment, and sympathetic toward the needy and unfortunate — for this is the only direction for your future happiness and to be of the greatest service to the world.

Thinking of my school years  
all the laughter, all the tears  
all the bad times, all the good  
remembering my childhood.

Before first grade came around  
I pretended I was a big fat clown  
driving my folks up a wall  
they couldn't wait till next fall.

September came they wouldn't dare  
they knew my head was full of fear  
they said to go would do me good  
It would help develop my childhood

Elementary school's over, I have to depart  
to a bigger school and a different start  
I'm not a "little" kid anymore  
I'm growing up, I can see the door.

Field hockey, track, and basketball  
I loved those sports, I played them all  
the teachers made my knowledge higher  
the activities made my world wider.

My last three years have now begun  
three years I thought would never come  
the door that once seemed so far from sight  
I've reached it now through struggles and fights.

These twelve years of school I've learned so much  
I've learned to love, I've learned to touch  
I've learned wisdom, truth and much more  
I've learned how to open that important door.

Before I pass through the open door  
I reminisce of the years before  
I'm glad they said it was for my good  
'cause I'd never give up my childhood.

And as I pass to the other side  
I see there is no place to hide  
A room with many doors I see  
and there's one waiting just for me.

Although this room seems like a maze  
It's said God works in mysterious ways  
and with every door that He shuts  
He leaves one open; It's up to us.

The door to the future is where I stand  
and I hope success is where I land  
It's up to me where the future lies  
I know I'll make it; if I'm wise.

# GOLF

For the third consecutive year the Tanners Varsity Golf Team has won the Middlesex League Golf Title, posting a record of 7-2. Lead by Senior Captain Joe Raboin, the Tanners will be competing in the State Team Sectionals in June in hopes of qualifying for the State finals.

Outstanding play by Seniors Frank Gilgun, Rick Giannelli, Matt Lyons, and Steve Donovan, Juniors Mike Hanlon, Don Kilbride, Mike Donovan and Sophomore Dave Miller, capped an outstanding year, making the golf team the only Woburn Varsity sport to win 3 titles in a row in the history of the school.

Summary by Coach Doran

Left to right: Matt Lyons, Mike Hanlen, Frank Gilgun, David Miller, Coach Bob Doran, Steve Donovan, Rich Giannelli, Donald Kilbride, Mike Donovan. Missing: Joe Raboin.

# SWIMMING

Woburn High School has finally established a beachhead in female sports with the advent of the girls' swimming team.

Although a low-water mark was recorded by these water women in their first attempt, spirits are running deep that experience will turn the tide.

Tracy Palmer and Elayna DeBenedetto were dazzling in their individual performances. Neither floundered under pressure. Together they netted almost fifty first places in ten dual meets.

The Senior captain, Ann Cheney, led the team with confidence and determination which surfaced meet after meet by consistently placing points on the board when needed.

Jane Claffey, Marybeth Hamilton, Maureen O'Rourke and Barbara McCarron schooled themselves in the finer points of the four competitive strokes. Churning lap after lap paid off. Together they torpedoed more than one visiting relay team with their strong finishes.

Diana Phillips and Maureen Brady cast strong ripples in the breast-stroke and backstroke events as they stalked the top places like barracudas after their dinner.

Peggy Kane and Debbie Zolubos, our fledgling fishes, never scuttled their plans to become winners. Hopefully a new year will see them riding a wave of success especially in the freestyle events.

Summary by Coach Fisher

Kneeling (l to r): Tracy Palmer, Marybeth Hamilton, Ann Cheney (capt.), Diana Phillips, Peggy Kane. Standing (l to r): Elayna DeBenedetto, Maureen Brady, Debbie Zolubos, Jane Claffey, Barbara McCarron, Maureen O'Rourke, Mr. Fisher (coach).

## ACKNOWLEDGEMENTS

While the publishing of a yearbook such as this is mainly the work of the staff members, there are always many others whose help proves to be invaluable to the production of the book. We would like to thank the following for their contributions to the 1981 INNITOU:

Mr. Jack Kelly and the Burlington Studios, for their quality photography and excellent service.

Mr. Paul Delaney of the Taylor Publishing Company, for his advice and help in the layout and design of the yearbook.

Mr. Frank Newark for his help in the design and creation of the cover of the 1981 INNITOU, and for his advice concerning design problems which occasionally occurred.

We particularly wish to thank the citizens of Woburn: parents, friends, relatives, and businessmen whose tremendous financial support allows the book to be produced.

The staff and administration of Woburn High whose cooperation and support during the year is sometimes overlooked but always appreciated.

Special thanks this year to Editor Carolyn Cain, who did the art work for the cover of this book, as well as the division pages.

And, finally, thanks to everyone not mentioned here, who helped in any way to make the 1981 INNITOU a reality.

John McWhinney, Thomas Treacy — Advisors

## How to save up to 75% on college costs.

If you're willing to hit the books hard during your off-duty hours, the Army will help with the cost of earning college credits.

The Army will pay up to 75% of tuition for approved courses.

Naturally, you'll have full-time Army

duties to perform — and those duties always come first.

It's not the easiest way to earn college credits — just the smartest.

See if you qualify.

Serve your country as you serve yourself.
